British Journal of Hospital Medicine

Index/Volume 37

January-June 1987

A

Abdominal aortic aneurysms, inflammatory. M D Stringer and P G Bentley..... 512
Abstinence or controlled drinking? *Corres* G K Shaw; M M Glatt 555
D H Marjot 556
Abuse, benzodiazepine. P Grantham 292
Adams, J, *see* **Armar, N A et al**
Adolescent suicide. *Editorial* E Taylor 481
AIDS,
a conspiracy of misinformation. *Editorial* K Saunders 97
in obstetric practice. *Corres* C T B Vivien 369
psychosocial aspects of. D Goldmeier 232
the virus, antivirals and vaccines. J Weber 135
Albert, A, *see* **Hans, P et al**
Anaesthesia for patients with cardiac disease (symposium):
Intraoperative management. P Ballard..... 398
Preoperative mangement. S A Masey and G W Burton 386
Postoperative care. W G Anderson 411
Anaesthesia,
in the elderly. M E Dodson..... 114
the purpose of research training in. *Corres* T E J Healy 176
Analgesia in the neonate. I S Gauntlett..... 518
Anderson, W G. Postoperative care of patients with cardiac disease 411
Aneurysms, inflammatory abdominal aortic. M D Stringer and P G Bentley..... 512
Angioplasty, laser coronary. *Editorial* D C Cumberland 281
Anorexia nervosa, *see* Eating disorders
Anticoagulation in pregnancy..... 450
Antigen, carcinoembryonic, the value of, in clinical practice. R H J Begent 335
Antiviral chemotherapy. M E Gore and P Selby 22
Antivirals (for AIDS), vaccines, and the AIDS virus. J Weber..... 135
Aortic aneurysms, inflammatory abdominal. M D Stringer and P G Bentley..... 512
Armar, N A, Tan, S L, Eshel, A, Jacobs, H S, Adams, J and **Sutherland, I A.** Practical aspects of pulsatile LHRH therapy 429
Aspiration cytology, *see* Fine-needle aspiration cytology
Azidothymidine (AZT) 137

B

Baby, the intersex. R J Lilford and P R F Dear 28
Ball, R. Opioid peptides and psychiatric illness 49
Ballard, P. Intraoperative management of patients with cardiac disease 398
Bannerjee, A K. The paper chase — quality or quantity? *Corres* 83
Barth, J H and **Venning, V A.** Pemphigus.... 326
Begent, R H J. The value of carcinoembryonic antigen in clinical practice 335
Bentley, P G, *see* **Stringer, M D** and —
Benzodiazepine abuse. P Grantham..... 292
Biliary disease, acute, management of. J H Tweedie 53
Bion, J and **Bowes, J.** Examination technique 352
Birtwell, A J, *see* **Wiles, P G et al**
Blistering disorders in the elderly 126
Blood loss, *see* Pathophysiology of haemorrhagic shock
Bone mass..... 453
Bone mineral measurements in clinical practice. B Murby and I Fogelman 453
Book reviews 75, 170, 262, 362, 464, 549
Born, J D, *see* **Hans, P et al**
Boston, V E, *see* **Carragher, A M** and —
Bouloux, P-M and **Grossman, A.** Hyperprolactinaemia and sexual function in the male 503
Bowes, J *see* **Bion, J** and —
Brearley, S. Specialist training and the GMC. *Corres* 469
Breast cancer,
diagnosis of, *see* Fine-needle aspiration cytology
early, conservative treatment of. *Corres* G H Dickson; I S Fentiman.... 177
Breast disease, preliminary results using computerized telediaphanography for investigating. N Bundred et al 70
Brewer, C. Naltrexone in the treatment of opiate dependence. *Corres*..... 469
Bridges, P K. Psychosurgery: historical interest only or contemporary relevance? *Editorial* 283
Bulimia nervosa, *see* Eating disorders
Bundred, N et al. Preliminary results using computerized, telediaphanography for investigating breast disease..... 70
Bunker, C B and **Gilkes, J J H.** Dermatology (in the elderly)..... 122
Burton, G W, *see* **Masey, S A** and —
Byrne, A, *see* **Smith, N C et al**

C

Cannulae,
IV, problems with standardizing. *Corres* J V Farman..... 556
peripheral venous. I Kestin..... 42
Carcinoembryonic antigen in clinical practice, the value of. R H J Begent 335
Cardiac disease, anaesthesia for patients with, *see* Anaesthesia for patients with cardiac disease (symposium)
Cardiac failure, congestive, diuretics or ultrafiltration in the treatment of? I A Simpson and I Hutton..... 144
Carotid endarterectomy 208
Carragher, A M and **Boston, V E.** Splenogonadal fusion. *Case report* 164
Case reports:
In-vivo chemical choledocholitholysis using MTBE. A McCulloch and W R Murray 163
Splenogonadal fusion. A M Carragher and V E Boston 164
Spontaneous rupture of a benign cystic teratoma mimicking acute appendicitis. J J Payne-James and E Fitzgibbon 254
Subclavian vein notch: a phlebographic abnormality associated with subclavian-axillary vein thrombosis. P G Wiles et al 349
Cerebral infarction, *see* Stroke (symposium)
Chadwick, S J D. Oesophagectomy: is thoracotomy necessary?..... 259
Chan, S T F, *see* **Paterson-Brown, P** and —
Charlesworth, D. Endarterectomy — the new "gold standard"? *Corres*..... 176
Chemotherapy, antiviral. M E Gore and P Selby 22
Chennells, P *see* **Wiles, P G et al**
Chest radiograph, adult, the interpretation of shadows on the. A G Wilson 526
Chest X-ray, plain, in acquired heart disease in adults. M J Raphael and R M Donaldson 211
Chilvers, E. MCQs. *MRCP suppl*..... 459
Cholecystectomy for acute cholecystitis, early versus delayed. S Paterson-Brown and S T F Chan..... 546
Cholecystitis,
acute acalculous..... 54
acute, early versus delayed cholecystectomy for. S Paterson-Brown and S T F Chan..... 546
Choledocholitholysis, in-vivo chemical, using MTBE. *Case report* G LaFerla, A McCulloch and W R Murray..... 163
Claudication, intermittent. *Corres* A Marston ... 270
Clegg, F. Introduction to statistics: I. Descriptive statistics..... 356
Cohen, R I. Post-traumatic stress disorder: does it clear up when the litigation is settled? *Editorial*..... 485
Cole, M D. Differential diagnosis of the swollen optic disc..... 220
Colonic diverticular disease, the management of inflammatory complications of. D L Morris and R G Tudor..... 36
Computerized telediaphanography for investigating breast disease, preliminary results using. N Bundred et al..... 70
Conflict:
1986: the turning point in the health of the NHS? S Shuster 74
Merit awards: the Chairman's reply. G Robson 463
Stuffing their meritorious mouths with gold. A Shrank..... 169
Congestive cardiac failure, diuretics or ultrafiltration in the treatment of? I A Simpson and I Hutton..... 144
Controlled drinking or abstinence? *Corres* G K Shaw; M M Glatt 555
D H Marjot 556

Compiled by Lynda Bailey BPharm MSc

Cooper, J D, *see* **Dark, J** and —
